## Paid Time Off (PTO)

Paid time off is subject to terms and conditions in the PTO policy found in the Employee Handbook and is accrued as follows:

< 5 years of service		> 5 years of service		> 10 years of service	
Per year	Per Pay Period	Per year	Per Pay Period	Per year	Per Pay Period
20 days	1.67 days	22 days	1.84 days	25 days	2.084 days

## Sick Time / Sick Bank

In recognition of the professional environment in which we work, RRA does not have a fixed number of sick days.

**Sick Bank:** Up to five (5) sick days\* in a calendar year may be used for the following reasons:

- The employee needs to get a medical diagnosis, care or treatment for his or her mental or physical illness, injury, or condition or if he or she needs to get preventive medical care.
- The employee must care for a family member who needs a medical diagnosis, care or treatment of a mental or physical illness, injury, or health condition, or who needs preventive medical care.
- The employee needs to care for a child whose school or childcare provider closed due to a public health emergency.
- The employee or the employee's family member is a victim of domestic violence, sexual assault or stalking.

\* Up to (9) sick days if you work in one of the California offices

## Maternity Leave

Any RRA employee may request a leave of absence, with full salary and benefits for a period of 16 weeks. This consists of eight (8) weeks of Pregnancy and eight (8) weeks of Parental leave. This leave runs concurrent with the Firm's STD, FMLA and PFL.

# Benefits Summary

## Parental Leave / State Paid Family Leave\*

---

Any RRA employee may request a leave of absence, with full salary and benefits, for a period up to eight (8) weeks for the care or rearing of a child, or adoption of a child. Please note this leave runs concurrent with the Firm's FMLA and state PFL.

\* Employees based in certain states are eligible for their state's Paid Family Leave, which provides additional time. Details are provided in the Employee Handbook upon hire.

## Medical, Dental & Vision

---

You and RRA share in the cost of your health-related benefits, with RRA paying more than 75% of the premium for medical coverage. Our plans are currently underwritten by Cigna and we offer a choice between four (4) medical plans as well as a dental and a vision plan. Employee contributions for these plans are withheld on a pre-tax basis. Our medical options all cover identical services and have identical participating providers; the difference between them is the extent to which you and Cigna share costs. We encourage you to review the side-by-side comparison and rate sheet found on the [pre-hire](#) portal in order to make an informed decision that meets the needs of you and your family. Additional tools, resources and support can be found on [www.mycigna.com](http://www.mycigna.com).

## Medical Expense Reimbursement Plan (MERP)

---

The MERP is a supplemental medical plan for MDs. It is designed to provide additional reimbursement for certain medical expenses over and above those covered by the firm's base health plans. This is coverage underwritten by BeniComp and provides you with up to a \$50,000 annual benefit. **There is a two-year waiting period from date of hire for the MERP plan.**

## Medical Flexible Spending Account (MFSA)

---

The FSA enables plan participants to pay for uncovered medical expenses on a pre-tax basis. You can set aside up to \$3,050 of pre-tax dollars to be withheld from your earnings during the 2023 plan year. You can then withdraw money as reimbursement for any medical expenses you have paid out of pocket (e.g., copays, deductibles, coinsurance, medicine, contact lenses, etc.) for yourself or anyone on your medical insurance plan. Claims can be paid by using the debit card that will be issued by Cigna.

## Dependent Care Flexible Spending Account (DFSA)

---

RRA offers you an opportunity to pay for dependent care expenses with pre-tax earnings. Each year, you can set aside up to \$5,000 of pre-tax dollars to be withheld from each paycheck. You then submit a claim for reimbursement of eligible expenses. Expenses eligible for reimbursement include dependent care expenses that enable you and/or your spouse/partner to work or attend school full-time. This applies for children under age 13 or for family members of any age who cannot care for themselves and whom you claim as a dependent.

# Benefits Summary

## Life Insurance and Accidental Death & Dismemberment (AD&D)

---

RRA provides a guaranteed issue life insurance policy in the amount of \$1,500,000. AD&D coverage is also provided in the same amount.

## Supplemental Life Insurance

---

You will have the option of purchasing additional life insurance for yourself at group rates in increments of \$50,000 up to \$1,000,000 with Evidence of Insurability. You will also have the opportunity to purchase life insurance for your spouse in increments of \$10,000 up to \$250,000 by answering a few medical questions. In addition, dependent child coverage is available in \$5,000 or \$10,000 increments and does not require Evidence of Insurability.

## Short-Term Disability (STD)

---

Short-Term disability is intended to cover a percentage of your lost salary should injury or illness prevent you from working for more than a few days. The coverage is short-term because it lasts for a finite period – less than 180 days. RRA sponsors a short-term disability plan that provides you with benefits equal to 100% of your base salary for the first 28 consecutive calendar days of a disability. If you are considered by Unum to be totally disabled due to an injury or illness and that disability lasts beyond 28 days, RRA will pay you benefits equal to 60% of your base salary for the duration of the disability or until 180 days have elapsed, satisfying the long-term disability elimination period.

## Long-Term Disability (LTD)

---

Long-term disability helps replace your income if you become disabled and cannot work for an extended period. RRA sponsors a long-term disability plan that provides you with 60% of your base salary up to \$15,000 per month after you have been disabled for 180 days. Given the firm pays the premium, the employee must pay income tax on any benefit they collect in the event of a claim. The benefits last until you can go back to work or for the number of years stated in the policy.

## Supplemental Long-Term Disability (LTD)

---

You will also have the option of purchasing supplemental long-term disability on a post-tax basis. This coverage provides you with 60% of your total compensation (base + bonus) up to \$35,000 a month after a 90-day elimination period.

## Voluntary Long-Term Care Insurance (LTC)

---

LTC is the care given to an individual when they are unable to function independently due to a chronic illness/injury or loss of two or more of the six Activities of Daily Living (feeding, dressing, bathing, toileting, continence and transferring). RRA offers you the opportunity to purchase LTC insurance for yourself, your spouse, your parent or parent in-law, or your grandparent or grandparent in-law on a voluntary basis.

# Benefits Summary

## Critical Illness Insurance

---

RRA has partnered with MetLife to make Critical Illness Insurance coverage available to you and your family as a supplement to your existing benefits. Critical Illness Insurance provides you and your family with additional financial resources if you have a critical illness, including cancer, heart attack, stroke and/or organ transplant. The plan pays a lump sum amount based on the condition, and you can spend that money however you wish.

## Hospital Indemnity

---

A voluntary benefit available through MetLife that pays you and your eligible family members a cash allowance in the event of hospital, ICU or rehab admission. These funds can be spent as you see fit.

## Accident Insurance

---

RRA is partnered with MetLife to offer Accident Insurance coverage to you and your family as a supplement to your existing benefits. Accident Insurance allows you to focus more on your recovery and less on your finances by providing you with a lump sum to use as you see fit. You can use the funds to help pay for any of the out-of-pocket expenses you incur as a result of the accident, such as insurance deductibles, copays, transportation to/from medical centers and more.

## 401(k) Plan & Profit-Sharing Contribution

---

All eligible employees can begin contributing to the 401(k) plan immediately upon hire. If you do not enroll on your own, you will automatically be enrolled the month following 60 days of employment at a rate of 6% of your base salary per pay period. To change this rate or decline enrollment altogether please contact Fidelity at [www.401K.com](http://www.401K.com) or at 1-800-835-5087, within the first 60 days of employment.

**Matching Contribution:** Beginning the quarter following your one-year anniversary date of employment, RRA will match 50% of your contribution up to 6% of your annual base salary. For example, when you contribute 6% of your base salary, the firm will match 50% of that.

**Profit-sharing:** U.S. employees who are at least 21 years of age are eligible for the profit-sharing plan starting in the quarter following their one-year anniversary date of employment. For example, you are eligible to receive the 2023 profit-sharing contribution if you have reached your one-year anniversary date of employment by October 1, 2023 and are employed on December 31, 2023.

**Maximum Contribution:** In 2023, the most you can contribute to a 401(k) is \$22,500; that limit increases to \$30,000 if you are 50 or older. Employer contributions are on top of that limit. These limits are set by the IRS and subject to adjustment each year.
